Dear Potential Sponsor,

I am participating in **VOKRA's Walk for the Kitties 2010**. All proceeds will fund their feline rescue program with its 100+ foster homes in the Lower Mainland — protecting kittens and adult cats from starvation, disease, abuse, homelessness, and needless death. **You can contribute to their cause by sponsoring me for any amount you are willing to give.** *We also invite you to ask your employer to match your donation amount.* Contributions of \$20 or more are tax-deductible. Please provide a mailing address if you wish to receive a receipt.

Thank you!

VOKRA was founded in 2001 out of the need to care for abandoned, bottle-feeding kittens. We have evolved into a rescue operation that saves over 1000 cats yearly from being euthanized. VOKRA works to reduce breeding in feral cat colonies, while also actively finding foster and forever homes for the growing number of cats and kittens in the Lower Mainland.
